The Story County Community Youth Philanthropy Foundation has awarded the Collins-Maxwell High School/Middle School a \$500.00 grant Ms. Dentlinger's 6th Grade Middle School class wrote with the support from the Maxwell Area Renewal Committee. These funds were used to purchase and install a new picnic table (made from 100% recycled plastic). This table has been placed at the East entrance of the Maxwell High School/Middle School. This grant is greatly appreciated by all that use this table outside the Maxwell HS/MS.

A BIG thank you to the Story County Community Youth Philanthropy Foundation! We know the students, staff, and members of the community with enjoy the use of this picnic table for many years to come!
